

Rules for 2009 Gelbvieh Breeder's of Iowa Fall Female Sale

1. A \$100.00 per lot nomination fee must accompany entry form before cattle will be cataloged. This nomination fee applies toward the sale expense of all cattle and is non-refundable. Any cattle that are pulled out of the sale after catalog is printed, forfeit this entry fee, unless substituted with another sellable lot. All "no-sales" will pay full commission on the final sale bid. The sale is to be self-supporting with all fixed expenses and commissions to be prorated on a percentage basis. Each consignor will receive a net check as soon as all monies have been collected from buyers.
2. All registered females must furnish current American Gelbvieh Association Registration Certificates so they can be transferred to the new owners. All animals must be properly tattooed and may be inspected at the sale site. All certificates must be submitted to sale management before cattle will be allowed to sell.
3. Fullblood, Purebred, Balancer and Gelbvieh influenced females will be allowed to sell in the 2009 sale.
4. All consignors must be members of the GBOI. A \$35.00 membership fee will be deducted from the sale proceeds of any non-member.
5. Females have the option of being halter broken or non-haltered.
6. Females must be born after January 1, 2003.
7. All females selling bred must be pregnancy examined by a licensed veterinarian with said status listed on the individual health certificate. Open females will be guaranteed to breed.
8. Any female used as a donor in an embryo transfer program must be designated as such. If a female is a current transfer recipient, information on the embryo must be furnished including an embryo transfer certificate.
9. Any animal that arrives at the sale site in an unsound or undesirable condition will be rejected by the sale committee and/or the sale management. Also, any animal that exhibits an adverse or unruly disposition may be rejected by the sale committee and/or sale management.
10. All registered cattle must be clipped and cleaned to be sold in the 2009 GBOI Female Sale. Sale management must be notified prior to arrival if you require assistance with this.
11. The GBOI reserves the right to retain 1% of the sale gross if so desired.
12. Limited to 10 sale lots or less per consignor.
13. Any bull entries must be pre-approved by sale management.

Gelbvieh Breeder's of Iowa
2009 State Female Sale

Sale managed by MMS

Prospective Consignors,

It is with great pleasure to be working with the Gelbvieh Breeder's of Iowa this year.

It is time to dig deep into your herd and consign the animals that will best represent your program and represent Gelbvieh cattle in Iowa. We are in need of bred animals to help promote the sale.

The sale is scheduled for Saturday, November 21 at the Colfax Livestock Market, Colfax, IA. Cattle can begin arriving on Friday, November 20 must be in place no later than at 3:00 p.m. on Friday, November 20.

With your programs quality consignments, quality consignors, and a team effort, this sale should stack up to be a year to remember. Support the GBOI with your quality consignments; their advertising can help make Gelbvieh cattle be recognized within the state of Iowa. For more information contact Mitchell Marketing Service.

Entry deadline is September 21, 2009.
