Ms. Princess is a double black, double polled purebred heifer sired Bruce Almighty 35PET, and Skyler and Sherman Tank on the maternal side. Princess will be a fine addition to any purebred program.

The donation heifer was donated for the purpose of raising funds for the Gelbvieh Breeders of Iowa (GBOI) to help promote and cultivate interest in the Gelbvieh breed. As an organization we run on a very tight budget and at times are very limited in what we can do as an organization to promote our breed. With the donation of a heifer each year by a member of GBOI, we have been able to operate more efficiently and promote our breed within the state of Iowa and surrounding states.

The Gelbvieh Breeder's of Iowa would like to extend our sincere thanks to Prairie Grove Gelbvieh for the high quality donation heifer to be sold in the 2012 Gelbvieh Gold Sale.

GBOI Junior Heifer Futurity

The Gelbvieh Breeders of Iowa have added a Junior Futurity Class to the 2012 Iowa State Fair. Any junior purchasing a Futurity Heifer from the 2012 Gelbvieh Gold Sale will be eligible to show in this Futurity Class. Futurity eligible heifers are listed in the footnote and the entry fee is paid by the seller. Winners of the futurity class will win cash prizes. Complete details will be available at the 2012 Gelbvieh Gold Sale. Please inquire to any of the GBOI officers or board of directors.

If you're looking for a purebred bred female in this sale Lucille is one you need to check out. She has excellent performance epds, and attractive profile, and is an absolute doll to work with. PB females are hard to come by, and even harder to find are ones that are the ideal maternal package like this one. Lucille comes from one of our strongest cows lines. Add her to your herd so she can do the same for you. Pasture Exposed to ABCS 027X from 5-1-11 to 6-1-11.

I can't say enough good things about this young female out of one of our donors "2030P"! Mass, power and thickness are just some of the many terms folks have used to describe her. I'm excited to see what this heifer has in store for her new owner!
