

Golden Buckle Gelbvieh

Production Sale

Saturday, February 18, 2017 || 1:00 PM (CST)
Napoleon Livestock Auction || Napoleon, North Dakota

WELCOME TO THE SALE...

Golden Buckle Gelbvieh

*Dwight and Christina Dockter
Bailey, Cheyenne, Cierra and Dalton*

4956 41st St. SE, Medina, ND 58467
701-486-3494 • gbgelb@daktel.com

Dear Cattlemen,

We would like to extend a big thank you to our past customers for your support of our program and invite you to our 2017 Production Sale.

We are a family operation and our children also have their own cattle within our herd so you will notice additional prefixes besides our DCHD prefix.

The calves have been doing well in this challenging winter we have had and are averaging 4.0 pounds/day at catalog time. Average daily gains are calculated from the day of weaning to current weights. The bulls have been fed Harvest States Bull Challenger along with free choice hay to ensure good structural development and longevity.

Some of the bulls have been polled tested and all black bulls have been coat tested; results are noted within the catalog.

A select number of 2-year old bulls are available by private treaty.

We have been selling replacement heifers for a number of years and this year the registered heifers in this sale will be the only heifers selling from our registered and commercial heifers.

The heifers have been fed chopped hay with corn mixed in for a very modest gain. We believe in sending replacement heifers out to pasture ready to grow and breed easily in the spring. With this method of feeding the heifers really bloom in the pasture and breed easily.

We strive for problem free calving, excellent disposition, good udders and performance in our cattle. A good disposition is a must as most of our cow workers and calf pushers are kids. Our cows have to be moderate framed & able to travel across pastures, as they are not pampered. Our cows are proving to be productive and have good longevity as we are seeing up to six generations all still producing in our herd. We were honored to be the home of 29 Dam of Distinction & Dam of Merit cows. All of these cows were born & raised here at GBG. We were also listed in the top 20 Dam of Merit and Dams of Distinction Owners and Breeders in the AGA for these elite cows in 2016.

Raising cattle is our livelihood and we are happy to visit with you regarding your bull and heifer needs, which bulls will work best in your program and to show you the cattle at any time. We look forward to seeing you on sale day.

The Dockters

Golden Buckle Gelbvieh

TERMS AND CONDITIONS

Terms are cash or check and settlement must be made before cattle leave the sale facility. All cattle sell under the standard terms and conditions of the American Gelbvieh Association.

SUPPLEMENTAL INFORMATION

A supplement sheet will be available sale day with updated information, including yearling weights, scrotals and any other supplement information. The supplement sheet and announcements from the block take precedence over the catalog.

HEALTH INFORMATION

All cattle sell with a valid health certificate that will allow shipment anywhere in the continental United States. All cattle are guaranteed to meet health requirements to ship to Canada.

REGISTRATION PAPERS

All registration papers on the animals selling are in order and will be transferred to the new owner. Papers will be mailed by the AGA and should be to the new owner in 45-60 days.

SALE DAY MEAL

A meal is provided by Golden Buckle Gelbvieh on sale day at noon at Napoleon Livestock.

VIEW VIDEOS ONLINE OF SALE BULLS

View online videos of sale bulls at
www.golden-buckle-gelbvieh.com or www.mms.bz

EPDS

All EPDs are provided by the American Gelbvieh Association and are current at printing of the sale book.

LIABILITY

All persons attending the sale do so at their own risk. Golden Buckle Gelbvieh and/or MMS assumes no liability for accidents, theft or damages occurring at the sale facility.

VIEWING OF SALE CATTLE

All cattle will be available for viewing on Friday, February 17 and Saturday, February 18 at 9:00 AM at Napoleon Livestock.

Cattle are available for viewing any time prior to those days at the ranch. Please contact Golden Buckle Gelbvieh for arrangements.

LIVE ONLINE VIEWING AND BIDDING

<http://www.napoleonlivestock.com/index.html> to Live Auction or <http://cattleusa.com/>

Must register for an account to view. Approval for bidding must be done by Thursday, February 16, 2017.

SALE INFORMATION

BULL PERFORMANCE INFORMATION:

EPDs, birth weights, adjusted weaning weights are published in the sale book. In addition a select number of bulls were tested for coat color and polled. They are noted as such in the footnotes if applicable. Adjusted yearling weights and scrotal measurements will be available sale day in the form of a supplement sheet.

FEEDING & DELIVERY:

Heifers:

Please talk with us if arrangements need to be made regarding the heifers.

Yearling bulls: Option 1:

Take your yearling bulls home the day of the sale and receive \$50 off your purchase price. Have your veterinarian perform a breeding soundness exam within 2 weeks of breeding season or before you turn your bull out.

Option 2:

Golden Buckle Gelbvieh feeds and cares for the bulls until April 1, provide a breeding soundness exam and delivery or we will work with you on delivery if located outside of ND. Buyer assumes all risk if bulls are left for Golden Buckle Gelbvieh to feed.

INSURANCE:

Ownership transfers at time of sale. It is required that bulls be insured, if buyer chooses option 2 in feeding and delivery and the bulls return to Golden Buckle Gelbvieh.

SEMEN RIGHTS:

The respective owners reserve 50% semen rights on all bulls selling and reserves the right for in herd use of semen from any bull offered for sale.

VACCINATION/MANAGEMENT PROGRAM:

CattleMaster, 7 Way, and the foot rot shot are given at Spring turn-out. Fall vaccinations include: 7way, One Shot, Inforce 3, Bovishield Gold 5 booster, and poured with Dectomax.

GOLDEN BUCKLE GELBVIEH COW HERD HONOR:

The American Gelbvieh Association Herdbook releases Dam of Merit females and Dam of Distinction females for the Gelbvieh breed on an annual basis. Only 3.6 percent of the active cows in the AGA herdbook qualify for Dam of Merit & only 0.8 percent of all active cows qualify for Dam of Distinction. In 2016, GBG had 29 of our eligible cows combined that qualified for Dam of Merit and Dam of Distinction. At Golden Buckle Gelbvieh we raise productive brood cows with longevity!

A homozygous polled son of DLW Alumni 7513A, the 2014 Breeder's Choice Gelbvieh Bull Futurity Champion. Lot 1 combines two great cow families in the Golden Buckle 154X cow family and the Ms Matron 802U cow family. The dam of lot 1, DCHD 156B, is a maternal sister to the lot 18 bull selling.

Great combination of low birth, performance and maternal strength. He weaned with nursing ration of 108 out of a first calf heifer. He ranks in the top 5% for weaning weight, yearling weight and feeder profit index, the top 10% for total maternal and the top 25% for calving ease.

Proven Genetics that are predictable for many generations in a young bull we feel can work in most aspects of the industry for both purebred and commercial cattle operations.

Homozygous Black BDOC 205X son who ranks in the top 2% in yearling, 3% in weaning and carcass weight, and 10% in total maternal. 295D is the highest average daily gainer calf at catalog time. Don't miss your chance to get one of these last BDOC 205X sons.

GOLDEN BUCKLE GELBIEH BULLS

DCHD GOLDEN BUCKLE GELV 154D || Sells as Lot 17.

DCHD GOLDEN BUCKLE GELV 209D || Sells as Lot 18.

DCHD 061C || Full brother to Lot 19.

In our opinion, this is our best black bull we raised this year. A super deep bodied, sound bull that is full of thickness. 154D ranks in the top 2% for weaning, 3% for yearling, 4% in carcass weight and 10% for total maternal. With this kind of combined performance and maternal, 154D will excel in any program. Maternal sister is the dam of the 061D bull in this sale.

A 205X son who has been catching everyone's attention just like his full brother last year. This cow cranks out a good one year after year. A full maternal sister is the dam of this year's DCHD 154D bull. 061D ranks in the top 2% in weaning, 3% in yearling and carcass weight plus had a 114 ratio in weaning weight. Look for this guy on sale day if you want to add pounds to your calves plus front-pasture females.

We absolutely love the Intense calves, especially the females. His first daughters will be coming into production this spring. Intense was used solely on heifers last year and proved to work equally as well on heifers as on mature cows. His calves are nice profiling, thick and deep hipped, combining calving ease, excellent growth with maternal for that perfect balance.

This will be Intense's last offering of calves as he was injured last year.

McGraw was named the 2014 Reserve Grand Champion Bull at the 2014 FarmFair International. This is the first set of calves to sell out of McGraw and they are proving to be top notch. McGraw is an easy fleshing bull who holds his condition well and adds tons of depth and thickness to his calves, all in a moderate framed package. His daughters are remarkable and we can't wait to see what kind of momma cows they are going to be. In addition to what you see, McGraw rates high in docility and tenderness to complete the package.
