

The Northern Maternal Focus

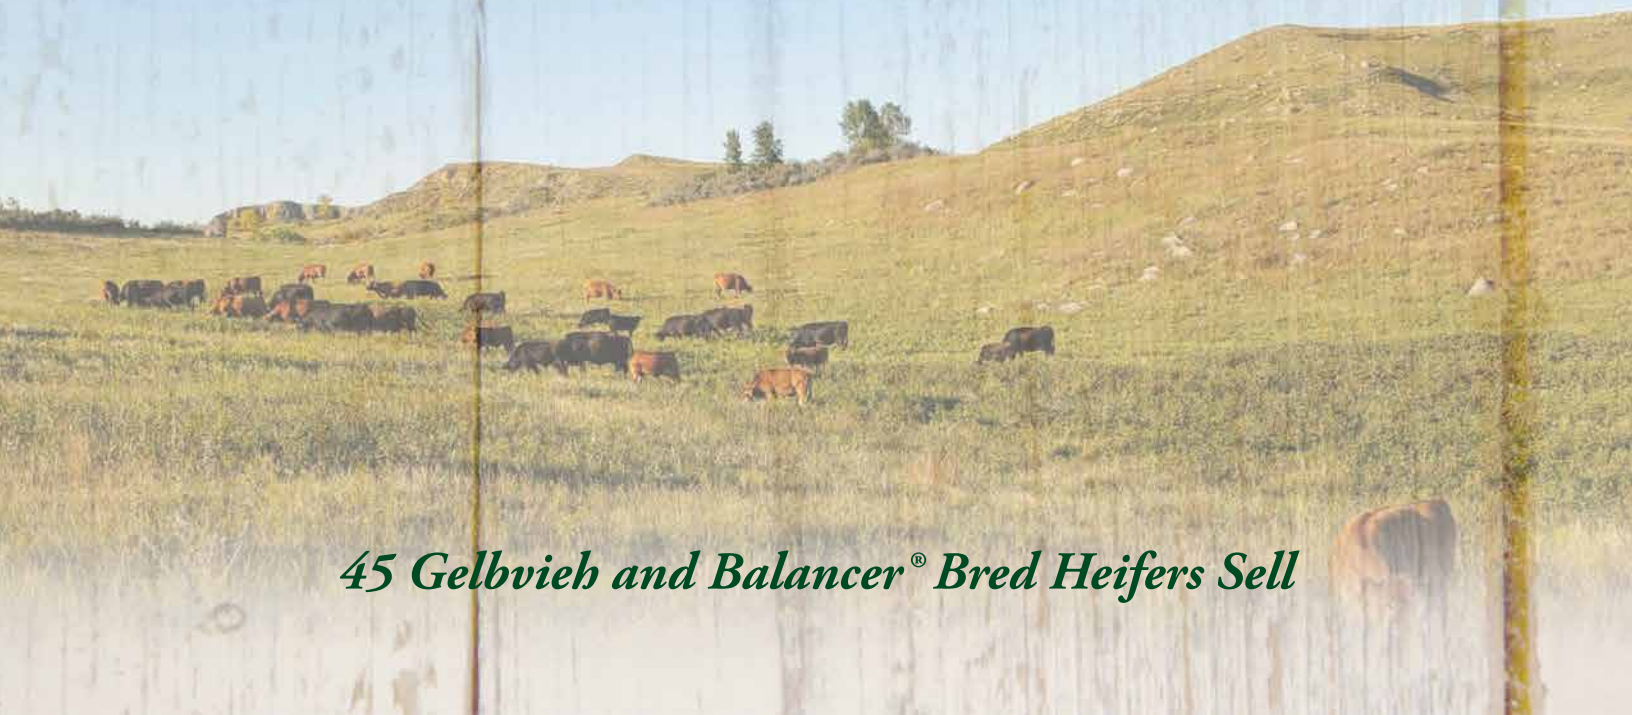

Premier Offering of All Chimney Butte Ranch AI Bred Heifers

SATURDAY, DECEMBER 7, 2019

1:00 PM CST || Kist Livestock Auction || Mandan, North Dakota

Quality Gelbvieh Seedstock

45 Gelbvieh and Balancer® Bred Heifers Sell

Welcome to the sale...

It has been written "THERE IS A TIME FOR EVERYTHING". For us, after nearly 30 years of continuously expanding our herd of Gelbvieh cattle, we have made a major decision to downsize our herd. We are not leaving the business, but simply downsizing. We have decided the best path for us is to offer a top shelf group of heifers for sale. We are offering at this sale every heifer we bred in 2019 that is carrying an A-I sired calf. We are not holding any back. This is the only way we feel we can present an offering and not have anyone assume we are holding the best animals back. This group was synchronized and A-I bred the same day. All animals were pregnancy ultra-sounded with fetal age and sex confirmed by Mandan Veterinary Clinic on 8/26/2019, 88 days after breeding. Using a 285 day gestation period, approximate due date is March 10, 2020. All service sires used have sired calves from heifers in our program. Breeding details are found in the catalogue.

Some of these heifers are ET calves, several have dam of merit and Dam of Distinction mothers. All are herd builder quality. All heifers were bred and raised by us. Nearly every heifer has several generations of females that have worked in our herd, behind them.

Over the years our bred heifers have been accepted by many breeders. We have placed bred females from Washington state to Alabama, and Canada to Mexico and many places between. Many breeders have become repeat buyers. We have worked hard to create a reputation for honest hard working females that will adapt to many environments. Our mission is and has been, "TO PROVIDE GENETICS THAT HELP INCREASE OUR CUSTOMERS' PROFITS."

When you look at the pictures and videos keep in mind these heifers came off summer native grass on Thursday, October 31, were clipped the next day, Friday, and videoed and photographed on Saturday. We did not cull any animals because of body condition. Other than grass, only free choice minerals and salt were given to these animals during the grazing season. We feel they have grown well and are in great body condition.

To help in your selection, we have a tool chest full of tools for you. These tools include, performance data, pedigrees, genetic enhanced EPD's, videos, catalogues and most certainly direct communications with us. Please take time to review this outstanding offering and let us know how we can help you. DV Auction, phone bids, and third party bidders will be available to those who cannot make it to Kist Livestock for the sale. We will work hard to make your purchase a very satisfying experience. YOUR COMPLETE SATISFACTION IS IMPORTANT TO US.

GOD BLESS,
Doug, Carol, and Family

The Northern Maternal Focus

Premier Offering of All Chimney Butte Ranch AI Bred Heifers

SATURDAY, DECEMBER 7, 2019

1:00 PM CST || Kist Livestock Auction || Mandan, North Dakota

45 Gelbvieh and Balancer® Bred Heifers Sell

Sale Day Phones

Doug Hille 701-220-2083
Chris Mitchell 334-695-1371
Kist Livestock Auction 701-663-9573

Auctioneer

Jay Elfeldt 308-293-3049

Accommodations

Most chain hotels are located in Bismarck, ND

Air Transportation

Bismarck is served by Delta and United Express and has excellent facilities for light aircrafts.

Terms and Conditions

Terms are cash or check and settlement must be made before cattle leave the sale facility. All cattle sell under the standard terms and conditions of the American Gelbvieh Association.

Supplement Sheet

A supplement sheet will be available sale day with updated information. The supplement sheet and announcements from the block take precedence over the catalog.

Online Videos

View online videos online at
www.mms.bz or www.chimneybutteranch.com

Sale Cattle Viewing

All sale cattle will be available for viewing at Kist Livestock Auction on Friday, December 6 until sale time. If you wish to view sale offering prior to December 6 please contact Doug Hille to view the cattle at the ranch.

Transportation

Transportation of the females selling is the buyers responsibility. If assistance is needed please contact Chimney Butte or MMS.

Health

All cattle sell with a valid health certificate that will allow shipment anywhere in the continental United States.

Liability

All persons attending the sale do so at their own risk. Sale hosts and/or the sale management assumes no liability for accidents, theft or damages occurring at the sale facility.

Registration Papers

All registrations on the animals selling are in order and will be transferred to the new owner. Registrations will be processed by the AGA and should be to the new owner in 45-60 days.

THE NORTHERN MATERNAL FOCUS BRED HEIFERS

We feel Stock Option females are better than females we raised from his sire, Leverage. This one is among our best. The maternal influence from the sire side, L112 and U510, is complimented by her dam, T111, that is currently a Dam of Distinction for the third consecutive year. This heifer should be a maternal powerhouse. AI'd on 5-30-19 to PHG Ceasar C25 (AMGV1322927). Ultrasound safe and due 3-10-20 with a heifer calf.

THE NORTHERN MATERNAL FOCUS BRED HEIFERS

One of only two heifers in this offering that has a dam that we did not raise. We purchased the dam of lot 3 from Martin Gelbvieh who purchased the maternal grand dam from us. She fits into our herd and has great numbers. She is carrying an F1 black Balancer bull. EPD's in the top 1% for WW and TM, top 2% for YW, top 3% for REA and top 4% for CW. A true performance female. AI'd on 5-30-19 to FAST Capitalist 414 (AMAN18008081). Ultrasound safe and due 3-10-20 with a bull calf.

Big volume, broody heifers like this are the kind that make great mama cows. F135 is a super daughter of At Ease 510C, a past high selling AI sire at the Iowa Beef Expo. Great EPDs, great performance and maternal values that rank near the top of the breed. Maternal grand dam achieved Dam of Merit status. We are very pleased with the development and potential of our At Ease daughters. AI'd on 5-30-19 to PHG Ceasar C25 (AMGV1322927). Ultrasound safe and due 3-10-20 with a heifer calf.

We purchased this heifer's dam from Martin Gelbvieh. She was raised by a cow we had sold to Martin Gelbvieh as a bred heifer. An exceptional heifer that will compliment most progressive programs. Be sure to take a look at calving ease to yearling spread in the EPDs. An opportunity to put proven profit driven genetics into your operation. Al'd on 5-30-19 to DCH Hille Y109 (AMGV1199670). Ultrasound safe and due 3-10-20 with a heifer calf.

Her maternal grand dam, L112, has produced more revenue than any other female in our herd. We have many L112 influenced females in our herd. Her sire has certainly performed well for us and the Thorntenson Gelbvieh operation. This is a powerful female that should be a positive influence in most programs. AI'd on 5-30-19 to FAST Capitalist 414 (AMAN18008081). Ultrasound safe and due 3-10-20 with a heifer calf.

Two Dams of Distinction in the maternal pedigree, N197 was the oldest cow to raise a calf at our place in 2018 and P196 a dam of distinction for 6 consecutive years was the oldest cow to raise a calf on our place in 2019. The Y109 sire speaks volumes of maternal power for us. If you believe maternal power is a heritable trait this young female has the genes to be a great one. AI'd on 5-30-19 to JOB Danell Choco 53B (AMGV1278414). Ultrasound safe and due 3-10-20 with a heifer calf.
